AA05623 Milestone Tracking Log...

Mohamadi and Sunil-

Please find attached the updated milestone tracking log for the Spot Urine Study (AA05623). I've changed the delivery date of the draft listing for NNAL Free to the 25th of August, which is in line with the delivery of the listing for NNAL Total.

I also added a comment for the first draft of the SAP to be sent by the end of this week (13 Aug 04) and a note stating that we resent the latest creatinine listing to you today (11 Aug 04). Please let me know if you did NOT get that listing from Nancy.

If you have any other questions or comments, please feel free to contact me.

Thanks so much,
Jacki
